Colposcopy Workshops 2003 - October 15th 2003

Dear Colleagues

We are pleased to invite you joining our **Colposcopy Workshop 2003 on October 15th 2003**, which will be held in the Lecture Theatre, 5/F, Professorial Block, Queen Mary Hospital. This workshop is jointly organized by The Hong Kong Society for Colposcopy and Cervical Pathology and The Department of Obstetrics and Gynaecology, Queen Mary Hospital. In the morning session, there will be lectures on colposcopy and cervical pathology. We have invited 2 speakers including Dr. A Lopes, Consultant Gynaecological Oncologist from Queen Elizabeth Hospital, Gateshead, Newcastle, United Kingdom and Prof. HYS Ngan from Department of Obstetrics & Gynaecology, University of Hong Kong. Dr. Lopes will talk on three topics, 'Colposcopy of vagina', 'Is colposcopy necessary following conservative management of CIN?' and 'A one-stop clinic for management of women with LG abnormal smears'. Prof. Ngan will talk on the 'Normal and abnormal cervix under the colposcope' as well as 'Management of abnormal cytology'.

In the afternoon, there will be a hands-on session as well as a live demonstration on colposcopic examination and treatment for abnormal cervical pathology. Delegates will also have the chance to practice electro-surgical excision procedures on models. There will also be a quiz following the live demonstration, sharing with you some interesting cases with abnormal cervical pathologies.

Registration is required for attending the workshop. Please fill in the attached reply slip and return to Ms. Theresa Poon, Department of Obstetrics and Gynaecology, Queen Mary Hospital. For enquires, please contact Miss Theresa Poon at 2855 4518. Please refer to the attachments for details. Thank for your attention.
