

**2 December 2011** (Friday)

### **Kowloon Hotel**

Loong Yat Heen & Dragon I,  
2/F, 19-21 Nathan Road,  
Tsimshatsui, Kowloon

## **Seminar**

### ***“Revolutionary HPV mRNA diagnostic test for O&G Clinicians”***

**Dr. Craig Hill, PhD**  
Director of Scientific Affairs  
Gen-Probe, Inc.

Dr. Hill will share with us a breakthrough cervical cancer screening test which targets the E6/E7 mRNA from 14 high-risk HPV subtypes. Recent studies have shown that this test provides superior performance in assessing oncogene expression compared against traditional HPV DNA tests which cannot distinguish between transient infections and those with advanced pathological progression.

#### **Chairperson:**

#### **Dr. LAM Siu Keung**

*MBBS FRCOG FHKAM(O&G) FHKCOG DCH(Ireland)*  
*Specialist in Obstetrics and Gynaecology*  
*Hon Clinical Associate Professor, HKU and CUHK*  
*President, HKSCCP*

**CNE / PEM :** 1 point

**CME:** Pending

#### **Rundown:**

7:00pm Reception

7:30pm Lecture

8:30pm Dinner (Chinese cuisine)

#### **Registration:**

Members are welcome!

80 Seats only, 40 for HKSCCP, 40 for OGSHK. First-come, first-served.

Please fill in the registration form and email to [medical@scienceintel.com](mailto:medical@scienceintel.com), or fax to 2541-4089.
